GREAT READS FOR YOUNGER TEENS

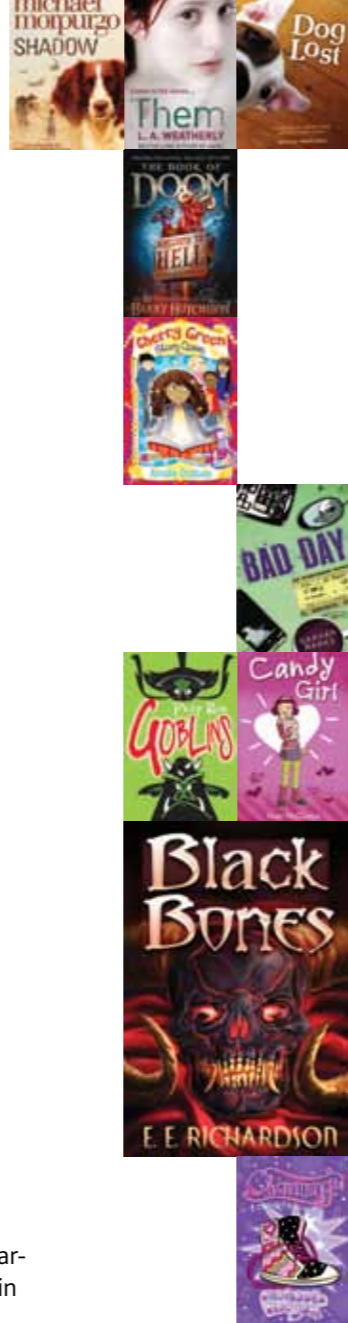

GREAT READS FOR YOUNGER TEENS

Books to capture the imagination of young people aged 11 years and over.

Imagine yourself as one of the unlucky heroes and heroines in 'Gone' trapped in the mutant world of the FAYZ in which everyone over 15 has disappeared; or as 'Young Sherlock Holmes' solving his first cases in sinister Victorian Britain, or again as 14 year-old Lauren discovering that her adoptive parents may have kidnapped her as a baby in the 'Missing' series. These stories – and many, many others – can be found here.

Thanks to the following publishers for supplying cover images.
Barrington Stoke, Bloomsbury, Chicken House, Doubleday, Egmont, Electric Monkey, Floris, Harper Collins, Harry N Abrams, Hodder, MacMillan, Marion Lloyd Books, Orchard Books, Oxford University Press, Puffin, Scholastic, Strident Publishing, Usborne.
