## Advice from our S1 students to the P7s

People and teachers are kind

Don't be worried, you will  
make great friends

Don't be worried  
there are many  
people who can  
help/support you

It looks big, but  
when you know  
your way around  
it's fine

You will get to  
know the  
school faster  
then you think

You make a lot of  
new friends, so  
just be nice and  
be yourself!

There is not much to  
stress about really with  
the S3 to s6 guides you  
don't need to worry by  
the time they are gone  
you will know the entire  
school

Honestly, when I was  
about to go into high  
school I was terrified .  
I thought the classes  
would be really hard, I'd  
be lonely and it would be  
so scary but honestly I  
have made loads of  
friends, the classes are  
actually really fun and it's  
so cool. So if you're  
worried your going to be  
fine I promise
