**Cat Burns – SDS Careers Adviser
for Craigmount High School**

catriona.burns@sds.co.uk

07909 874259

In school Mondays, Tuesdays, Thursdays & Friday mornings

www.skillsdevelopmentscotland.co.uk

SDS service offer in school – S2 and beyond

- Group delivery in PSE to all S1, S2, S3 and S4 classes
- Option Choice appointments with S2 pupils choosing subjects for S3
- Optional appointments with S3 pupils
- Senior phase appointments in S4, S5 and S6 – developing Career Management Skills in one-to-one appointments to work towards achieving positive post-school destinations
- Supporting DYW, JET and Support for Learning groups
- Assisting with applications to college and UCAS
- Promoting My World of Work and apprenticeship pathways (apprenticeships.scot)
- Allocating to the Post-School team for continued careers support, if required

Careers support with S2 coursing

- S2 careers appointments started in December and every pupil has been offered an appointment
- 85% complete as of today; the second half of 2S2 will receive their appointments tomorrow, then second appointments will be offered to all those who missed their first
- S2 careers appointments include:
 - Reviewing the S2 into S3 subject choice curriculum columns
 - Checking subject choice against requirements for specific career plans
 - Researching job profiles on My World of Work, alongside entry requirements for university, college and apprenticeships, to check for specific subjects and qualifications required
 - Using the option choice tool on My World of Work, for those who are unsure of their future choices to start exploring their options
- 90% attendance in S2 group work – these sessions covered personal preferences, reasons for choosing subjects and the importance of individual choice

Qualifications

An honours degree (SCQF Level 10) recognised by Architects Registration Board (ARB) or Royal Institute of British Architects (RIBA).

Minimum entry to an Architecture degree (SCQF Level 9/10) is Highers at ABBB (some courses ask for AABB) or an HND.

Entry to postgraduate qualifications (SCQF Level 11) usually require a first or second class degree in architecture and an academic portfolio, though degrees relating to the built environment may be considered.

Useful subjects

- English (required by most courses)
- Maths (required by most courses)
- Physics (required by most courses)
- Art and design
- Design and manufacture
- Graphic communication

Career Management Skills

These are the skills you need to make your career a success.

Your SDS Careers Adviser is just one of the people who can help you develop these skills.

Some of them you'll have already – just by being you!

WELCOME TO DYW SCOTLAND

Transforming how businesses and education engage.

Developing the Young Workforce (DYW) is the Scottish Government's Youth Employment strategy to better prepare young people for the world of work.

The employer-led Developing the Young Workforce Regional Groups set up across Scotland are connecting employers with education.
