

- The Support for Learning team in Craigmount High School forms part of the integrated Support team which includes six Pupil Support Leaders (Guidance), ensuring students' pastoral and learning needs are supported holistically.
- An **Additional Support Need** comes from anything that is a barrier to learning. All Education Authorities have legal duties towards students with additional support needs. More detailed information about this is available in the document '**In On The Act: Information for the General Public**' which is published on the education authority website at <http://www.edinburgh.gov.uk/inontheact>. The Scottish Advice Service for Additional Support for Learning provides information and literature for parents on its website [www.enquire.org.uk](http://www.enquire.org.uk)
- At some point in their school career, many pupils will require support. Whether this is a long-term learning barrier, or a short-term package of support required following injury or illness, we are here to provide the necessary scaffolding to ensure your child has every opportunity to reach their potential.

#### What do we Do?:

- Packages of support based on the needs of the young person
- 1:1 support both in class and in SfL
