“What do S5 want from S6?”

Academic Achievement

Employers will generally want a range of qualifications depending on the nature of the job.

1st year university courses (Level 7 SCQF) are generally looking for minimum of 4 Highers (SCQF level 6) at B grade. (including Nat 5 Maths and English at C or above)

College courses at the same level will generally ask for 2 Higher qualifications.

S6 Pathways

Pathway 1: 3 Level 7 Options

1	Choice 1 (6)	Choice 2 (6)	Choice 3 (6)	AH Dissertation Time (6)	Leadership (2)	Study (4)	Wider Achieve	PSE
----------	-----------------	-----------------	-----------------	-----------------------------	-------------------	-----------	------------------	-----

HEALTHCARE SUPPORT WORKER - MODERN APPRENTICESHIP - 18062

📅 12/1/2023

Contract: Permanent
Salary: £23,914 per annum
Employer: NHS Lothian
Closing Date: Friday 3 February

Based at the Esk Centre in Musselburgh, the Substance Use team is part of an integrated mental health and substance misuse service. The role will involve assisting the nursing team to carry out home visits to high risk/hard to reach individuals, supporting patients to attend appointments with other services and delivering harm reduction interventions to identified individuals. You will work towards SVQ Level 3 Healthcare (Clinical).

ASSURANCE APPRENTICESHIP PROGRAMME - 14 POSTS - 18052

📅 21/12/2022

Contract: Permanent
Salary: £21,250 per annum
Employer: EY
Closing Date: Monday 12 June

Starting out in assurance requires dedication, hard work and long hours, but the knowledge and experience you'll gain will set you on a fulfilling career path. You will receive structured training to upskill in digital technology such as data visualisation or design thinking and bring that into your audit work. You will complete a fully paid for professional qualification with the Institute of Chartered Accounts of Scotland (ICAS).
