

13 August 2024

Dear Parent/Carer

### **Return to School – August 2024**

I hope you have had a nice summer break.

We are looking forward to your child starting Craigmount High School and the new session begins for all pupils on Wednesday 14 August. A reminder that the warning bell sounds at 8.25am and pupils will be accompanied to their Tutor group for the first 30 minutes of the day which will start at 8.30am. During Tutor there will be information shared about the start of the new term and all pupils will be issued with a copy of their timetable.

From 9am we will follow the normal timings of the school day which are included on the next page for information and they will be supported by our pupil guides. From Thursday, period 1 starts at 8.30am every morning and we would therefore appreciate your support to ensure that your child arrives to school in enough time to be in class for 8.30am.

All pupils are provided with an iPad to support learning during their time at school. These devices are an integral part of our learning offer at Craigmount and it is important that iPads are brought to school each day and are fully charged. If your child's primary school collected their iPad before the summer holiday these will be re-issued this week.

All new S1 pupils and their parent or carers must agree to the responsible use agreements by completing the form below. Pupils will not be able to access their account until this user agreement has been completed.

If you already have a ParentPay account, your child will be issued with their pin number on Wednesday which they can use to purchase lunch. If you do not have a ParentPay account then pupils will be responsible for bringing their own lunch to school until the account is set up. S1 pupils must remain on school premises during break and lunch time.

We are looking forward to the start of the new session and to welcoming all pupils back to school on Wednesday.

Yours sincerely
