

# Wider Achievement & YPI for S3 2024 – 2025

# Wider Achievement Options

- Every pupil in S3 will do a Wider Achievement course to complement their other choices.
- Wide range of options available to meet learners needs.
- Courses aimed at further developing skills needed for learning, life and work.
- Majority of courses result in additional SQA or recognised qualification.

## What to consider when pathway planning for your wider achievement option...

What skills would you like to develop?

Is there a choice that links in with your current subject choices?

Is there a choice which links in with a possible career pathway?

Is there a choice which will help with your wellbeing?
