

# Wider Achievement Options

for S5 and S6

2024 – 2025

# Wider Achievement at Craigmount

- Every pupil in S5 or S6 will do at least one wider achievement course
- Wide range of options available to meet learners needs
- Courses aimed at further developing skills needed for learning, life and work
- Majority of courses result in additional SQA or recognised qualification

## Event Organisation (Level 6)

### Event Organisation Level 6

In this practical Unit, the students will develop requirements of event planning; the meta-organisation of, and participation in, a specific event, and evaluate the success of the event and

#### Outcomes

- Produce an agreed plan for a specific event
- Implement an agreed plan for a specific event
- Evaluate the implementation of a specific event

This unit is intended for students who have a good understanding of event organisation and would like to organise a school social event, and would like to gain

## Ethical Hacking (Level 5)

### Ethical Hacking Unit

#### Content

A specific aim of this Unit is to enhance learners' awareness of the potential threats from malicious hackers to individuals and organisations, and how ethical hacking can help identify and mitigate these threats.

#### Assessment

The unit assessment consists of an assignment involving practical and written elements.

#### Why choose Ethical Hacking Unit?

Learners will be able to distinguish between methods used by ethical and malicious hackers to compromise individuals' and organisations' computer systems, as well as applying these skills to identify vulnerabilities.
