

## Learning at Craigmount

Continue to develop high quality learning and teaching which activates, builds and consolidates learning with a focus on the development of skills.

## Inclusion

Develop our inclusive school environment to promote positive relationships, rights and diversity to get it right for every child.

## Curriculum

Develop and deliver a high quality BGE experience which supports all young people and provides appropriate progression, pace and challenge.

# Craigmount High School Improvement Plan 2025-26

Improve our processes to ensure all pupils have wider achievement opportunities within and beyond the curriculum.

## Achievement

Focus on attainment and progress for all pupils through rigorous tracking, use of data and interventions at all levels.

## The Craigmount Gap

Develop our use of assessment in the BGE, ensuring that all pupils are able to understand and act on their next steps in learning.
