Key things to consider

- Do I know what each subject involves?
- Am I willing to commit myself to this?
- Do my courses match my career ambitions?
- Am I clear on the future pathways within this subject?
- It's not about your favourite teacher or friendship groupings.
- Challenge yourself and be realistic.

To: the Parent or Guardian of [REDACTED]

Dear Parent or Guardian,

This is to confirm that you have requested the following choices:

1=Mandarin

2=DRAMA

3=CHEMISTRY

4=MOD STUDIES

5=BUS MANAGEMENT

6=FRENCH

7=PHIL & MORAL

R=MUSIC

Please speak with your pupil first and only reply if there is an issue.

We capture the pathway planning information on a web programme called TOOLS.

Parent/Carer will receive an automated e-mail which will confirm the selections a pupil has made.

A letter will be sent just before the start of the pathway planning conversations start, which will outline more details on the codes, levels and information.

Dear Parent/Carer

S2 into S3 Pathway Planning

We will commence pathway planning interviews with S2 pupils as of today, Monday 11 February. This will involve your child meeting with a member of staff from the S2 Year Team to finalise their decisions and input them into a system called 'TOOLS' which is our internal system for gathering subject information.

One feature of the 'TOOLS' system is that it allows for an automated e-mail to be sent directly to the main parental contact once your child's pathway planning interview is completed. An example of this e-mail is shown on the next page.

Whilst we will do our utmost to allow pupils to study all of their preferred subjects in S3, it is worth noting that the requested subjects outlined in this e-mail are not guaranteed at this stage. If changes are required, a member of your child's year team will discuss this with them in person. This will take place after all pupils have completed their planning interviews.

We held our Pathway Planning Information Evening on Wednesday 7 February. Electronic copies of the information shared within the workshops held that evening are available on the following webpage: <https://craigmounthighschool.co.uk/curriculum-pathway/>. You will also find our S2 into S3 pathway planning decisions diagram within this page which outlines pathways available for pupils to study.

We look forward to supporting your child into the next phase of their pathway. Please do get in touch if you have any questions.

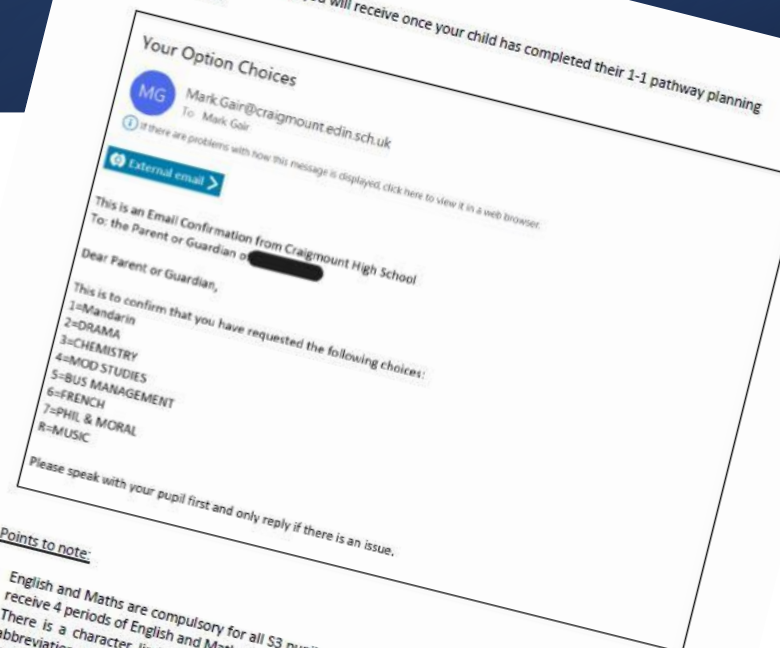

Yours sincerely

Mark Gair

An example of the e-mail you will receive once your child has completed their 1-1 pathway planning conversation.

Points to note:

- English and Maths are compulsory for all S3 pupils so will not appear in the list of choices. All pupils will receive 4 periods of English and Maths in addition to the subjects outlined in the e-mail.
- There is a character limit on the system we use for inputting decisions so some subjects have an abbreviation e.g. BUS MANAGEMENT.
- The first selection on the list will be the Wider Achievement course.
- R = Reserve Choice which will only be taken into account if any selections can't be confirmed.
- There is no requirement to respond. Please discuss with your child in the first instance and only reply if there is an issue.
